Dear Brothers and Sisters,

The International Union has set the following policy in place for all local UAW Unions.

As the persistent surge of COVID-19 cases increase throughout our plant, we will be canceling all local union meetings and events through April 2021, due to the Coronavirus.

We will communicate any adjustments or modifications to this policy if encouraging changes occur with the status of this pandemic.

From our local 677 union.

The order support is increasing, and the float is decreasing. We are still in the hiring process.

We understand that the COVID cases are rising, but for your protection, it is **NOW MANDATORY to wear a mask in all LVO plants. This will need to be followed for your safety and ours. The company will be enforcing this policy for all people that are in our plants.**

If you feel sick and have COVID symptoms, stay home and use the call off line and report that you are sick. You also must call the dispensary at 610-966-8878. They will direct you on what to do. Please do not worry about points and holiday pay during this pandemic. We will work out any issues if you follow the call off protocol for all COVID related absences.

The UAW sweatshirt order forms are now available in the union office or a downloadable link on our website at www.uaw677.org

T-shirts are still available in the union office.

The UAW Local 677 Health and Safety representative is now at the International level and they will make a selection and contact our local officers.

We would like to wish all members and your families a happy and safe Holidays.

We would also like to personally thank you for your hard work and dedication during these extremely difficult and challenging times.

In Solidarity,

The Shop Committee
