

**February 1, 2021**

## **LVO Second and Third Shift Operations Cancelled for February 1, 2021**

LVO is cancelling operations for Second and Third Shift for Monday, February 1, 2021 for LVO, LVLC and End-of-Line employees due to the severity of the weather conditions – an “Act of God” per the UAW contract. It would be appreciated if Second and Third Shift Maintenance employees who are able to could report to work.

LVO plans to be in operation on Tuesday, February 2, 2021. Please call the Mack Trucks LVO Hotline at 877-377-2279 after 12:00 a.m. on Tuesday, February 2 for an update on LVO’s production schedule for Tuesday.
