LVO Employees:

This is to inform you that **(3)** of our colleagues have tested positive for COVID-19. This includes testing results received on October 8, 2021 after 3:00 p.m. and up until 3:00 p.m. on October 12, 2021 EST. The total number of COVID-19 cases at LVO is now **452**. Four hundred- thirty nine (**439**) of our coworkers have recovered and there are currently **13** active cases.

These employees were last in our facilities as outlined below:

- (1) 10/01/2021
- (1) 10/06/2021
- (1) 10/08/2021

Individuals who may have been in close contact with these individuals have been notified.

Cleaning and disinfection of the employees' immediate workspaces, consistent with CDC and OSHA guidelines, was completed at the times the employees were last on site.

This reminds us that COVID-19 is still present and active in the community. Wearing masks and maintaining social distance are controls we have in place to lower the risk of COVID-19 transmission in our facilities. Wearing a mask during your shift remains a mandatory requirement.

The health and wellbeing of our employees is our first priority and we wish our colleagues a fast recovery. We are committed to taking all steps necessary for maintaining a healthy work environment and keeping you informed.
