

**January 14, 2022**

LVO Employees:

This is to inform you that **(80)** of our colleagues have tested positive for COVID-19. This includes testing results received on January 10, 2022 after 3:00 p.m. and up until 3:00 p.m. on January 14, 2022 EST.

The total number of COVID-19 cases at LVO is now **774**

Six hundred-ninety-two (**692**) of our coworkers have recovered

There are currently **82** active cases

Individuals who may have been in close contact with Covid positive individuals have been notified.

Cleaning and disinfection of immediate work areas, consistent with CDC and OSHA guidelines, was completed at the time the employees was last on site.

This reminds us that COVID-19 is still present and active in the community. Wearing masks and maintaining social distance are controls we have in place to lower the risk of COVID-19 transmission in our facilities. Wearing a mask during your shift remains a mandatory requirement.

The health and wellbeing of our employees is our first priority and we wish our colleagues a fast recovery. We are committed to taki/ng all steps necessary for maintaining a healthy work environment and keeping you informed.
