Attention: All UAW Local 677 Mack Unit Members,

In the coming days you should be receiving a strike card in the mail. For those who are new, this is a standard practice to ensure the strike readiness of all members. For the last few months, we have encouraged everyone to verify their personal records with the Union. Thank you to all that have done that. Making sure everyone's information is correct is an important step towards strike readiness. Additionally, having the correct information can eliminate potential delays in strike benefits, should they be needed. These strike cards are a final test of the information verification. If you do not receive a strike card by the September 23rd, please contact the Union Hall so we may verify that your information is correct.

As a final step to ensure all members are ready for a strike, should one be called, strike readiness meetings have been scheduled on September 23, at 1pm and 4pm. Should the need arise, we will also run an additional meeting at 2:30pm. These meetings will cover all issues pertaining to strikes and all members should consider attending one of the meetings.

As these meetings may be standing room only, any family you may have brought can enjoy the Solidarity rally in the grove until the presentation ends and you can join them. There will be food and entertainment provided so please RSVP if you plan on attending so we can make sure we have enough refreshments.

As a show of support and solidarity to our negotiators, we are asking everyone to wear red to the event as well as every Wednesday at work.

On a final note, should a strike be called, the strike card you received in the mail will list your strike duties and rotations, please **DO NOT LOSE IT**.

In Solidarity,

Strike Readiness Committee

Michael Shupp, Vice President

Rebecca Kemmerer, Recording Secretary

Michael Kelly, Financial Secretary-Treasurer
